

Hats Off to Mom!

Why buy Mom the same old boring hanging basket or potted plant?

This weekend only, get Mom a Top Hat blueberry bush FREE with a \$10.00 purchase.

The Top Hat blueberry is a dwarf blueberry that's perfect for growing in a patio container. When mature, it will be filled with loads of fresh, delicious blueberries! And like all of our plants, it's Ohio weather tough so it will continue to please Mom year after year, long after that hanging basket has withered away.

These blueberry plants normally sell for \$9.95, but we're giving them away to celebrate our daughter, Melissa, expecting our first grandchild in August.

This is a limited time offer and will only be available Saturday, May 12th from 9:00 am until 1:00 pm at the Frostville Museum Farmer's Market located at 24101 Cedar Point Rd, North Olmsted, OH 44070.

We only have 72 of these plants available, so don't hesitate, when they're gone, they're gone.

As a special bonus, we'll send Mom (or yourself) our guide to growing blueberries in your own garden. This 16-page booklet (a \$4.63 value) is filled with tips on growing blueberries at home and even has some great blueberry recipes- my favorite is Cathy's Blueberry Buckle!

P.S. If we have any of these left after Saturday, we'll post a message on our Facebook page and have them for sale at 22817 Westwood Drive from 10:00 am until 2:00 pm ONLY on Sunday, but don't wait, chances are these will go quickly Saturday.

Our grand-dog, Angel is as excited as we are waiting for the new arrival.
